

Project Description

Project would construct approximately ~~15~~ [roughly] 17.5 directional miles of express lanes on the I-680 corridor through conversion of existing and planned HOV lanes.

- Southbound PM R16.6/23.7 From South of Marina Vista Road to Treat Boulevard (7.31 miles)
- Southbound PM R12.6/16.6 From Treat Boulevard to ~~Rudgear Road (4.11 miles)~~ Stone Valley Road [roughly] (6.61 miles)
 - HOV Completion Project (EA 3A5800)
 - Not considered a project for concern for PM10 or PM2.5
- Northbound PM18.8/23.2 From State Route 242 to north of Arthur Road (4.25 miles)
- Project will not increase roadway capacity beyond existing
